FLAMERITE FIRES
2018-19

19 YEARS OF PRODUCT INNOVATION

Outstanding design and product innovation have been the hallmarks of Flamerite Fires from the outset. Our company has led the way for nineteen years in changing the electric fire from a basic product falling out of fashion into a stylish contemporary product sought after by home makers old and young for homes of all kinds.

Flamerite Fires won three Hearth and Home awards the first time of entering, in 2002, and has been winning ever since, scooping prizes in some categories several times – Best Inset Fire, Best Electric Fireplace Suite, Fireplace Suite of the Year, Best Stove, Appliance of the Year.

Good looks, coupled with high quality manufacture and first class customer service make Flamerite Fires a winner with retailers and consumers every day.

Energy efficient LED fires

SMART eControl
Easy to use iOS & Android app with advanced features to control your fire.

RADIAFlame

A strong and radiant flame image with a deep fuel reflection.

SOLARFlame

A fully enhanced and rich projected flame image.

OMNIGLIDE®

A tilting glass panel that enhances the flame picture creating infinity depth, encloses the fuel bed and conceals the heater.

NTRAFIAME

A warm and lively flame image with a deep fuel reflection.

CinderWOOD

A log fuel effect featuring a realistic and internal radiant burn at the heart of your fire.

HEARTH INSET FIRES

If you already have a fireplace, or space you want to put a new fire into, then our range of hearth inset fires are for you.

Designs range from the totally traditional to the ultra-modern and will fit standard hearth openings. You can even opt for a stove if it suits your surroundings best. With a choice of fuel bed, finish and trim options you can tailor your fire to suit the style of your room.
